V. LEWIS BASSIE~~CONFIDENTIAL~~

The following investigation was conducted by Special Agent GEORGE V. NOY. A review of the information furnished by Confidential Informant [redacted] reveals the following material regarding the activities and contacts of V. LEWIS BASSIE. X(u) b2 b7D

On October 16, 1946, HARRY MAGDOFF, who was then in New York at the residence of his parents, contacted his wife and told her that a certain radio program, which was not further identified, was going to be on the air at 7:30 and that he wanted her to call BASSIE and have BASSIE contact HENRY WALLACE and suggest that WALLACE listen to this program which was going to be carried over CBS. MAGDOFF appeared impressed with the program saying that it was an amazing thing and that it was a story of the Nuremburg hangings with the emphasis being that Fascism is not yet dead. X(u)

Shortly after this Mrs. MAGDOFF did convey her husband's message to BASSIE adding that the radio program was JACOB HELLER's. BASSIE agreed to call WALLACE and tell him that MAGDOFF suggested that he listen. X(u)

On the following day while again in contact with his wife, MAGDOFF referred to the radio program saying that he had never heard anything like it. She agreed that she thought it was wonderful and had called the FITZPATRICKS, the STONES and the VAN TASSELS to have them listen. She also stated that BASSIE had called promptly at 8 p.m. after the program was completed and MAGDOFF suggested that when she again talked to BASSIE that he should be asked to suggest to WALLACE that the latter write a letter to the President of CBS concerning the radio program. X(u)

On the same day when Mrs. MAGDOFF again contacted BASSIE to relay her husband's message, she then discussed with him what appeared to be a possible connection between them and the New Republic League and she said "Well, I guess its time to go to the New Republic, that appeals to me." BASSIE replied "maybe." They then discussed salaries and referred to a salary of \$75,000 which BASSIE said was all wrong because HAROLD YOUNG had told him so claiming that he was getting only \$15,000. X(u) b2

According to Informant [redacted] EDWARD FITZGERALD on October 16, 1946, informed his wife that he had a luncheon date with BASSIE on that date which he, however, intended to break in order to have lunch with one HALSEY (ph) so that he might give HALSEY instructions on the unfinished work that FITZGERALD was leaving. X(u) b2 b7D

Confidential Informant [redacted] revealed that on October 20, 1946, IRVING KAPLAN and HARRY MAGDOFF held a long conversation apparently concerning the organization or club with which KAPLAN and MAGDOFF were closely associated or some sort of political organization to be closely associated with WALLACE. V. LEWIS BASSIE was mentioned in this conversation. X(u) b2 b7D

~~CONFIDENTIAL~~

~~SECRET~~

in connection with a remark indicating that BASSIE had been in attendance at some meeting and had raised an organizational question. (X) (u)

A physical surveillance of BASSIE on October 21, 1946, revealed that he took part in a meeting held at the residence of HARRY DEXTER WHITE which is believed to have dealt with the same matter as that under discussion between KAPLAN and MAGDOFF. A surveillance conducted by Special Agents CARL VOELKER and COURTLAND JONES on the night of this meeting revealed that MAGDOFF left his residence and drove to that of BASSIE where he joined BASSIE and then they proceeded in the latter's automobile to drive to WHITE's apartment in the Westchester Apartment Building. Coverage of this meeting revealed that in addition to MAGDOFF, BASSIE and WHITE the following persons were in attendance. EDWARD FITZGERALD, GEORGE SILVERMAN, IRVING KAPLAN and BERNARD KERNSTEIN. Portions of the conversation at the WHITE apartment which could be heard by Agents COURTLAND JONES and WILLIAM CORNELISON and GEORGE A. VAN NOY indicated that the group was discussing the formation of some type of political organization to be headed by or sponsored by Mr. WALLACE to operate within the Democrat party. There was considerable discussion regarding the means of raising funds and a good deal was said about the drafting of a definite program for the organization. The conversation overheard was not sufficient to give any details as to the nature of the organization which was being contemplated.

[REDACTED] on October 28 again revealed that MAGDOFF and KAPLAN discussed this general matter at length referring to BASSIE in a way which would indicate that he was closely connected with the proposed plans. (X) (u) b2 b7D

The same source revealed that on October 29, MAGDOFF in a conversation with BASSIE told him that he intended to pick the latter up that evening shortly after he had picked up KAPLAN. Their designation was not indicated in the conversation. The two of them discussed at length what appeared to be a meeting or conference at the Department of Commerce dealing with labor questions. Re: EDWARD FITZGERALD

~~CONFIDENTIAL~~

The following investigation was conducted by Special Agents J. D. PAYNE and JAMES J. CAMPAN during the period October 1, 1946 through October 31, 1946.

The mail cover placed on this subject was not productive during the above period. Confidential Informant [REDACTED] furnished the following information concerning EDWARD FITZGERALD's activities from October 1 through October 31, 1946. (u)

On October 3, 1946 JANE STONE was in contact with EDWARD FITZGERALD and ED inquired if she had found a job for him, adding that he was hoping she would line up something in Seattle. ED indicated he did not want a Union job but wanted one that would pay something. He said that he does not necessarily want to stay on the East coast and would be glad to go to Seattle. JANE asked him what had happened with the War Assets deal but ED said he did not like to be arrested at the end of a job. JANE invited the FITZGERALDS over to see her when they were "not too busy holding Presidents hands or Vice-Presidents hands". ED corrected her saying "Next President's hands". JANE then spoke to FITZGERALD's wife who agreed to contact her the next day and let her know if they could come over that night or whether Monday night would be preferred. (u)

On October 6, 1946 BEADDIE MAGDOFF conversed with ED FITZGERALD and invited the FITZGERALDS over to the MAGDOFFS the following Thursday. BEADDIE said she had also invited BILL DEWIND (PH) (possibly BRIAN DEWIND) from the Treasury Department. BEADDIE said she thought ED FITZGERALD would like BILL "although on some things you will find yourselves at opposite poles". ED FITZGERALD said he would get in touch with BEADDIE or HARRY the next day and let them know whether the FITZGERALDS could make it on Thursday evening. (u)

On October 8, 1946 an individual known only to the informant as BILL (possibly BILL SPAFFORD) conversed with REBEKAH FITZGERALD and told her that he had been out all that day and that there were a lot of women coming in that night so that he had better stay to give them the material for the next night. REBEKAH said that she thought that those meetings were important and should be kept up with. BILL said he attended a small meeting about those people who are publishing the paper and REBEKAH asked whether that was the "social action paper". BILL said they are veterans who have some sort of paper going and from what he has seen of their bulletins it is a pretty good one. He said he attended one Executive Committee meeting last month. REBEKAH said she was sorry BILL could not go that night and join the discussion but that maybe next time he could make it. (u)

On the same date REBEKAH contacted her husband and said that she might get some calls that night from some radio people in connection with a program and that there might also be some calls from the Embassy people. She added that it might be Mrs. \*MISS (PH) in connection with Madame \*MARTINS (pronounced \*MARTENS at the Chilean Embassy). ED said he would take the messages. ~~CONFIDENTIAL~~

On October 12, 1946 REBEKAH FITZGERALD conversed with an individual known only to the informant as VIRGINIA who wanted REBEKAH to have lunch with her at 12:30. REBEKAH indicated she could not meet her for lunch but would see her later. VIRGINIA gave her number as DU 4500. ~~CONFIDENTIAL~~

On the same date, HARRY MAGDOFF was in contact with ED FITZGERALD at which time FITZGERALD mentioned that he had heard HARRIEN was not using their stuff. He said that the "guys" did not come back from the Budget Bureau too aware about the trip. MAGDOFF told him that he saw GEORGE, but not DON, and there would not be any problem about the trip; that he, HARRY, is captain of the team and that when he says BEADDIE can go no one can argue. BEADDIE MAGDOFF then conversed with FITZGERALD and mentioned moving to California. ED asked her if they have their papers in and she said "no" but that HARRY is going to get the job. ED said he knew HARRY was thinking about it but did not know he had decided on it. BEADDIE indicated she was going to Richmond a week from Tuesday and ED said he was going to New York with HARRY. BEADDIE inquired about FEROL (possibly FEROL HARRISON) and was told she had been staying at HILLY DE LONG's apartment for the past week and would be for the next two weeks while she is on vacation. ~~CONFIDENTIAL~~

On October 15, 1946 HARRY \*MARTON contacted REBEKAH FITZGERALD at which time they engaged in a long discussion on HARRY's relation to connections with and interest in the writings and life of TOM \*OLFE. ~~CONFIDENTIAL~~

On October 16, 1946 REBEKAH FITZGERALD was in contact with Brentano's Book Store at which time REBEKAH was informed that they had located a copy of the book REBEKAH wanted. ~~CONFIDENTIAL~~

Later on the same day REBEKAH FITZGERALD was in contact with ED FITZGERALD at which time ED mentioned that he had a date with VERT (possibly VERT BASSIE) that day but that he would have to call it off and have lunch with ELSIE (PH) and give him instructions on the unfinished work that he, ED, is leaving. ED also said he was catching the 3:45 p.m. train that day, apparently for New York, and would arrive there that evening, returning to Washington Saturday morning. He also said that he would be going over to ~~CONFIDENTIAL~~

HARRY WHITE's on the following Monday night. REBEKAH also mentioned to him that Brentano's had obtained a copy of the book which she ordered and that it was \$7.00. ED believed that the price was too much but REBEKAH said she wanted it very badly in view of the fact it was originally published out of this country and was no longer being printed. X(u)

On October 21, 1946 SARAH, FITZGERALD's maid, indicated HARRY MAGDOFF was coming to dinner with the FITZGERALDS. On October 24, 1946 SARAH, FITZGERALD's maid, indicated that FEROL CARMELISON was coming to the FITZGERALD's to dinner that evening. X(u)

On October 26, 1946 HARRY MAGDOFF was in contact with ED FITZGERALD and ED wanted to know if HARRY was coming out that night. HARRY said he imagined he would. ED wanted to know how he made out in New York and HARRY said it was very hard to tell but that he had dinner with HESLOUGH and S. SYROBUE and that the latter could provide all of the funds himself but that it would be out of the question. They agreed it would now be all right to go to WALLACE and that they would also have the mechanism for getting the stuff sold. HARRY said "these guys" are excellent on publicity; that they get ads in the paper, radio time, and will put out pamphlets. HARRY said they passed a unanimous motion that he was to be general manager but that he is not interested in going to work for them especially but that he will have to find someone for them. HARRY said he had planted the seed in SAM's mind about the institute and that he, SAM, began talking about raising a one-half billion dollars and that \$250,000 would go for the institute and \$250,000 for the council. HARRY said they have an appointment with MORSE (PH) to discuss their position and that HARRY was thinking of having a few of them down to Washington, D. C. to meet with them (MAGDOFF and FITZGERALD). HARRY indicated concern about KATIE (IRVIN KAPLIN) and GEORGE (possibly GEORGE SILVERMAN) and wished they would let him stage the thing himself. He said he would talk with them about it. X(u)

ED wanted to know if they were going to HARRY's (possibly HARRY WHITE's) Monday. MAGDOFF said "no" but that he would call WHITE. MAGDOFF also wanted to know if VIET (possibly VIET BASSIE) was interested in the thing. ED said he was very much interested but that he was afraid it was going to be restricted to business. HARRY said he was not worried about that as "if we are in there it cannot be". FITZGERALD then mentioned several incidents that happened at the office. He said they were discussing the budget and that HILL (PH) remarked that if they could not get space they could not even spend their appropriation. According to FITZGERALD, HARRIMAN laughed and said there was an awful lot of nice offices up and down the corridor. FITZGERALD went on to relate that later HARRIMAN had been around looking over office space. ED was of the opinion that they might lose their jobs sooner than they expected. X(u)

On October 27, 1946 BERTHA BLAIR contacted EDWARD FITZGERALD and told him that a new apartment was being made for her and that her phone number is now Michigan 0680. ED mentioned that STONE, KAPPIE, and VAN (possibly V. M. SSEL) are looking for a job for MARCELL (PH). BERTHA said she wanted to leave her present position but does not know where else to look. ED said things were not very secure with him either and he suggested MARCELL come around for dinner on Wednesday or Thursday. BERTHA said she could not stand much more of the job she has but they are collecting a lot of material, but did not know what can be done with it. She said someone in her office had suggested that it would be most valuable in case of another mobilization. ED added "namely with Russia". ED said that as soon as MARCELL wants to he will get "rid of us"; that they are on their way out, but that he could not figure anything else to do except sit around and hold his breath. X(u)

On the same day ED FITZGERALD was in contact with an individual known to the informant as VAN TASSIE at which time they discussed a job for BERTIE FORRELISON (PH). ED thought he could find her a CAF-4 or CAF-5, mentioning GEORGE LUCY in his division needed more help, as well as JULES. FITZGERALD said that LUCY is a friend of ED STONE's but that VAN does not know him and that he will ask LUCY for a spot for BERTIE. BERTIE has a veteran's preference from World War I and is staying at the YAC, but will probably stay at VAN's place after that. VAN remarked that he would like to see the FITZGERALDS next Saturday night. X(u)

On October 28 an individual known to the informant only as FRANK (possibly FRANK CHERON) was in contact with ED FITZGERALD at which time FRANK said that they enjoyed their visit to FITZGERALDS on the previous night. X(u)

On October 30, 1946 ED FITZGERALD was in contact with an individual known to the informant only as BEADDIE (possibly BEADDIE MAGDOFF). ED said that he wanted to "welch" on their Saturday night date because BEADDIE's mother was going to New York for the weekend and they thought they would go up on Friday too. ED suggested that BEADDIE come out Tuesday evening and listen to the election returns, but BEADDIE said that it depended on their getting a sitter and whether VAN went up to Philadelphia to vote. ED wanted to know if VAN was going up with the CAFFEYS (PH) (possibly KAPPIE) but BEADDIE did not know. She asked that the date be left open to see what developed. X(u)

Confidential Informant [redacted] advised that HARRY MAGDOFF was in contact with ED FITZGERALD on other occasions than those mentioned by Confidential Informant [redacted]. The information obtained from these contacts is set out under the activities of HARRY MAGDOFF. X(u)

Reference is made to the report in the instant case wherein information was set forth that the subject had in his possession a mimeographed telephone directory of the Department of State, Far Eastern Division, which was undated and contained notations of pencilled names and extension numbers.

Mr. ROBERT BARNESMAN and Mr. BERNARD DOOR of the State Department were contacted with negative results. *refer*

Mr. PEVRIL MEISS, formerly employed at the LaSalle Building where the subject was employed by the OSS, was contacted under pretext but could not furnish any information. A review was made of the State Department, OSS and FEA telephone directories for the last three years, with negative results. Switchboard operators and information clerks were also contacted with negative results. Inasmuch as no date was on this list and since many extension numbers and agencies in the State Department and OSS have been changed and terminated, it is not believed favorable to further identify names on this list.

Information concerning WALTER RUDOLPH and JACK BECKER, the only two complete names on this list, is set forth below. It is noted that some information regarding BECKER has already been set out in the report dated November 5, 1946, in this case.

In March 1945, WILLIAM W. LOCKWOOD on the editorial board of "Amerasia" was given as a friend of ROY BANNERMAN HUDSON, one of the Vice-Presidents of the Communist Political Association. LOCKWOOD is listed as the secretary of the American Council of the Institute of Pacific Relations with offices at 129 East 52nd Street, New York City. He was interviewed by the Bureau and furnished the following information regarding this organization. He stated that the Institute had been operating since 1925 and consisted of eleven national councils which exchange pamphlets and literature with each other based upon research. He stated the Institute is concerned primarily with Oriental countries, but placed a great deal of emphasis on relations of these countries with other parts of the world. The American Council is particularly interested in the part the United States plays in the Orient. The Institute sponsors surveys of the various phases of the life in the Orient, which are later prepared in book form and circulated among the various councils. He denied that the Institute took any particular viewpoint.

The files also reflect that BENJAMIN HAMILTON KAISER in 1939 was trustee and Vice-Chairman of the American Council of the Institute of Pacific Relations. He was also a member of the Board of Directors in 1942 of the Russian War Relief, Inc.

Reference is also made to this same report wherein information is set forth that the subject received a letter on August 20, 1946, from JOSEPH D. PHILLIPS of 71 Main Street, Cromwell, Connecticut. The files of this office contained the following information concerning JOSEPH D. PHILLIPS, who is believed to be identical with the sender of this letter.

JOSEPH DEWEY PHILLIPS, Jr., was president of Local 203, UFWA, in 1943. In the same year, the Daily Worker published an item pointing out that JOSEPH D. PHILLIPS, president of the Washington Industrial Union Council, signed his name to a CIO greeting presented to the Soviet Embassy for presentation to Marshal STALIN. The greeting is as follows:

"We here realize the great debt we owe your country in our common struggle against Nazism and Fascism. We also realize that were it not for the revolution that took place twenty-six years ago and which created the great Soviet Union, this war today would not now today be approaching a victorious conclusion."

The Treasury Department conducted an investigation of PHILLIPS, who was being considered for a position as economist in the Office of Price Administration. No derogatory information was developed. In 1944, PHILLIPS was classified as a key figure in an Internal Security - C investigation in the Washington Field Office.

Information in the Washington Field Office files reflected that PHILLIPS was reported as a probable member of the Communist Party. He came to Washington from California in 1941. He was elected president of the Industrial Union Council in 1942, and president of Local 203 of the UFWA. Both organizations follow the Communist Party line. He is a member of the executive board of the Russian War Relief and participated in the National Negro Congress. He was a sponsor of the Seaboard Conference of the National Negro Congress in New York City in the Spring of 1943. In March 1944, the subject was investigated under a Hatch Act investigation. At that time he was employed as a Labor Economist at the War Shipping Administration. The file reflects that he was born December 5, 1914, at Buena Park, California.

on October 17, inasmuch as she was attending a meeting of the Institute of Pacific Relations on that date. They decided to get together for a future undetermined date.

The next individual that MARY JANE contacted on this date was WILLIAM LUDWIG ULLMAN. MARY JANE advised that she had a guest (URSULA WASSERMAN) from New York City who was attempting to secure information at the War Department that would be of assistance to URSULA in making "application for a Guggenheim structure." ULLMAN suggested that URSULA WASSERMAN contact KLEPPER at the National Housing Authority.

MARY JANE next contacted CHET SINCLAIR at the Department of State on extension 2194, advising him that URSULA WASSERMAN is in town and that she would like to see him if convenient. SINCLAIR suggested that any time on October 17, 1946, would be satisfactory and related that his office is in room 714 at 1818 H Street. MARY JANE told SINCLAIR that her husband, PHILIP O. KEENEY, who is commonly referred to as ANGUS by MARY JANE, is returning to Washington from Tokyo, Japan, sometime during the first of November. MARY JANE said that after he returns that they should "have a gathering of the clan."

MARY JANE was quite active on October 16, 1946, according to informant [redacted] and she next contacted a Mr. KLEPPER at Republic 7500, ext. 72025. MARY JANE told KLEPPER that she had not seen him since they had met in Frankfurt, Germany, and that LUDWIG ULLMAN had told her that KLEPPER was back in the States. MARY JANE then related to KLEPPER that URSULA WASSERMAN was in Washington, D. C. and that she was desirous of seeing someone concerning German banking. KLEPPER said that he would be very happy to help URSULA and that she should see three reports that he, KLEPPER, had, two of which have not reached the country officially, but of which he has drafts. KLEPPER is located in Building E, 4th and Adams Drive, second floor, 8th wing, room 202.

On the same date ETHEL ALPER contacted MARY JANE KEENEY and inquired if MARY JANE would be interested in driving down to Williamsburg, Virginia. MARY JANE said that she was unable to go inasmuch as she had other plans. ETHEL asked MARY JANE if she had met a HUGH VENE and MARY JANE replied that they had had dinner with him one day this past summer. ETHEL stated that VENE had gone to Japan.

MARY JANE next contacted the Washington Cooperative Bookshop and asked when the next Sues meeting was to be held and she was advised that the time is October 25, 1946.

Late in the afternoon of October 16, 1946, URSULA WASSERMAN contacted MARY JANE KEENEY, stating that she was having dinner with KLEPPER, and another fellow who "was working on that stuff." URSULA said that had received absolutely everything from KLEPPER and that he was very helpful. *Sec*

On October 18, 1946, confidential informant [redacted] advised that MARY JANE KEENEY fell down on the street as a result of a self-administered injection of atropin and that she cut open the back of her head. Contact was made with Dr. ISADOR ALPHER who advised MARY JANE to bandage her head. On the same date MARY JANE contacted BENEDICT ALPHER at the Department of Justice on extension 1457 (Bureau of Prisons) at which time she told him of her accident and said that she had to go to Emergency Hospital and have stitches put in her head. *eu*

Following the above conversation DOROTHY TODD, wife of LARRY TODD of Tass News Agency contacted MARY JANE and invited MARY JANE for dinner that evening. MARY JANE was unable to accept in view of her head injury. *eu*

Later on the same day, according to informant [redacted] MARY JANE contacted DOROTHY TODD and advised her that she, MARY JANE, did not have any stitches taken in her head but that her shoulder was sore, although it had been determined it was not a fracture. MARY JANE and DOROTHY then discussed a clothing drive in which MARY JANE was instrumental and MARY JANE said that October 22 was the dead line to send a box over seas as a Christmas present. MARY JANE also said that she had not been able to secure a coat for GRETA KUCHOFF but that HELEN SILVERMASTER had given her a handsome suit and some other clothing to send GRETA. MARY JANE also said that OLIVE CHUBA had donated some clothing. *eu*

On October 19, 1946, according to informant [redacted] MARY JANE contacted BENEDICT ALPHER and said that she was not making any definite plans for the week end inasmuch as she was expecting a woman friend to visit her. This friend is from California and was visiting in New York City and had expected to come to Washington. ALPHER commented that he and his wife were going to see Dr. KABOT that evening. *eu*

BOB LEWIS next contacted MARY JANE KEENEY and he said that he had been in Chapel Hill, North Carolina, for the past week and that the ERICKSONS are no longer in Chapel Hill. He continued that ERICKSON took a job as head of the Humanity Division in an Army school somewhere in New England. MARY JANE asked if BOB and his wife PRESTON would be busy for the next week and when she received a negative answer she stated that she *eu*

would like to have the LEWIS' and the DAN THORNERS over some evening. This was satisfactory to BOB LEWIS but he reminded MARY JANE that he and his wife have their tickets to sail on a French Steamship Line on November 1, 1946, providing that the Maritime strike was called off. ✓

eu  
MARY JANE KEENEY next contacted ALICE THORNER at Emerson 2370, asking her and her husband over for the evening to visit with the BOB LEWIS'. The invitation was accepted. Thereafter MARY JANE contacted PRESTON LEWIS and stated that the THORNERS would be able to come over for the evening and that the LEWIS' should also come. It was decided that they would appear at 8:30 p.m. ✓

Apparently BOB and PRESTON LEWIS did not visit with MARY JANE that evening because confidential informant [redacted] advised that late that evening DAN THORNER, from MARY JANE'S apartment, contacted BOB and PRESTON LEWIS. THORNER told PRESTON LEWIS that he had finally gotten a letter off to "B.G." and "JESS." ✓ b2 b7D

On October 20, 1946, according to [redacted] MARY JANE KEENEY contacted PHILIP DUNAWAY and his wife LILLIAN. They discussed MARY JANE'S recent head injury and the conversation was purely of a social nature. eu

eu  
MARY JANE next conversed with MILDRED GRAZE at Chestnut 7500, ext. 678. They discussed MILDRED'S son who is apparently an infant. (Inquiry at Arlington Village, Arlington, Virginia, reflects that STANLEY and MILDRED GRAZE have resided in apartment 678, 2700 16th St., South, since 1945. STANLEY is employed by the U. S. Department of State). On the same date MARY JANE KEENEY had a conversation with Mrs. BEATRICE SWARTZ and they discussed the operation that LUCILLE EZEKIEL, wife of MORDECAI EZEKIEL, had recently undergone. MARY JANE and BEATRICE tentatively planned to have luncheon the following day together and then visit LUCILLE. eu

eu  
On October 20, 1946, LUCY CONCKLIN contacted MARY JANE KEENEY and said that she would like to see her. It was decided that they would get together that evening about 7 P.M. eu

eu  
MARY JANE next contacted H. BOWEN SMITH, saying that she desired to know of BOWEN had made the telephone call. BOWEN replied that he had received a call from one of the members of the party from Aberdeen, Maryland, and that the whole program had been fixed. This party had to return to New York over that evening. BOWEN also stated that the party had talked to several people that he, BOWEN, knew in Baltimore, and that they desired to return in a few days. The members of the part had told BOWEN that they would get in touch with him in a few days. MARY JANE also unsuccessfully attempted to reach F. BERNARD NORTMAN on ext. 3839 in the Department of State. She next contacted ELLEN BELLINGHAM at Wisconsin 4572. The conversation was of a social nature and ELLEN stated that she had talked to MARGARET CRAWFORD who is very desirous to see ANGUS KEENEY when he returns from Tokyo. MARY JANE commented that she had not seen MARGARET for a long time. ELLEN related that she, ELLEN, expects to begin work full time for the Public Health Department real soon. WOODROW BORAH recontacted MARY JANE, inquiring if she knows DAVID WEINTROUT (ph) who has been employed by UNRRA. MARY JANE said that she does not know him but that DAVID'S sister ROSE ALPHER, is the wife of Dr. ISADOR ALPHER. WOODROW said that the reason he desired to contact WEINTROUT was that he, WEINTROUT, was setting up a Division of Economic Research for the United Nations' Secretariat, and that WOODROW desired to secure a position with them. MARY JANE indicated that she did not believe that her acquaintance with Dr. ISADOR ALPHER would be of any assistance to WOODROW in reaching WEINTROUT. *h*

According to informant [REDACTED] on October 22, 1946, BEATRICE GRANDE at Executive 6100, ext. 2403, contacted MARY JANE KEENEY, saying that she would be unable to meet MARY JANE on that date and inquired if they could postpone the luncheon engagement until Friday. This arrangement was not satisfactory to MARY JANE and it was decided that they would get together within the next week. MARY JANE then contacted LUCILLE EZEKIEL, saying that she desired to come over and see LUCILLE and to learn about her operation. MILDRED GRAZE and BEATRICE SWARTZ had advised MARY JANE about LUCILLE'S operation and MARY JANE thought that they might come out and see LUCILLE on Friday. MARY JANE reminded ALFER of a meeting at the Washington Cooperative Book Shop on Friday night but ALFER stated that he and his wife were going up to New York and would be unable to attend. *eu*

On the same date MARY JANE KEENEY had a conversation with LES KLEPPER, Republic 7500, ext. 72025. KLEPPER said that the reason he did not get in touch with MARY JANE was that IRVIN (KLEPPER) had not gotten in until 11 P.M. the preceding night. It was decided that LES KLEPPER would contact MARY JANE KEENEY the following week at which time they would get together. *eu*

On October 23, 1946, MARY JANE was contacted by ALIX REUTHER and MARY JANE was asked by ALIX for the telephone number of FAITH WILLIAMS at the Department of Labor. MARY JANE gave the extension of FAITH WILLIAMS as 152. ALIX indicated that she would like to see MARY JANE on Sunday and MARY JANE said she would call ALIX. *eu*

Both BOWEN and his wife declined the invitation, saying that they did not like the book and that they considered it embarrassing. Both BOWEN and his wife indicated that they were acquainted with ILONA SUES. *eu*

On October 24, 1946, MARY JANE KEENEY contacted LUCILLE EZEKIEL and asked if it would be convenient for her to come and visit her that afternoon. It was convenient and MARY JANE stated that she would be there between 3 and 3:30 P.M. *eu*

On October 26, 1946, RCA contacted MARY JANE KEENEY and read a telegram from ANGUS KEENEY stating that he was leaving Tokyo either October 28 or 29, 1946, via airplane. *eu*

On the same date LILLIAN DUNAWAY contacted MARY JANE KEENEY at which time MARY JANE told her that ANGUS was coming to the U. S. soon. LILLIAN said that she had a feeling that DAVID (WALL) desired that PHILIP DUNAWAY go back to work. The conversation then turned to the morning newspaper and MARY JANE said that she was encouraged by the news that the British trade union congress voted 40 percent against BEVIN'S foreign policy. LILLIAN asked MARY JANE why American trade unions were not in on the matter and MARY JANE replied that it was caused by the "terrible split over the RED issue." MARY JANE said that she considered it very dangerous. LILLIAN commented that she had been expecting great things. *eu*

from the PAC and MARY JANE said that the CIO had failed to support the PAC due to poor leadership. *eu*

On the same date MARY JANE contacted ROSE ANDERSON and MARY JANE was invited to ROSE ANDERSON'S on the following day. MARY JANE accepted the invitation and said that she would be over in the early afternoon. *eu*

On October 26, 1946, MARY JANE also had a conversation with BOB STARTZ who said that he and his wife would like to have dinner with MARY JANE. After dinner they decided they would go out and visit STANLY and MILDRED GRAZE at Arlington Village, Arlington, Virginia. *eu*

On October 27, 1946, according to [REDACTED] MARY JANE KEENEY contacted PHILIP DUNAWAY. PHIL said that an old friend of theirs had dropped in to see him unexpectedly and that this old friend, whose name was LYLE (COOPER?) desired to speak with MARY JANE. *eu* *b2 b7D*

Apparently LYLE is from Chicago, Illinois, because MARY JANE asked if he had seen WALTER and LUCY BASSMAN, to which LYLE answered in the affirmative. MARY JANE and LYLE discussed the meat situation and MARY JANE commented that the only sensible suggestions for dealing with it had come out of LYLE'S labor union. MARY JANE then asked about LYLE'S wife "ELEN" and the children and LYLE answered that his youngest child is now three years old. MARY JANE then turned the conversation to the forthcoming elections on November 5, 1946, and asked LYLE what the political picture was in Illinois. He replied that the Chicago Sun recently gave a good analysis of the increase in political registration; that is, in the Negro areas of Chicago. According to this analysis the Chicago Sun stated that the Negro area of Chicago is the only place that progressiveness can make much headway in Illinois at the present time. LYLE expressed the opinion that they would not be able to be sure of the Negro vote inasmuch as the Republicans have been working very hard among them. MARY JANE commented that she was very much disturbed because when she visited her home in Woodstock, Illinois, she noted that the PAC and the IWI were having no effect. LYLE then said that the theory seems to be that in many rural places the PAC is considered a liability rather than an asset, as far as progressiveness is concerned. The conversation then turned to MARY JANE'S husband, ANGUS, and she told LYLE he expects to return to the U. S. in a few days. COOPER inquired as to whether KEENEY was getting along in Japan and MARY JANE replied that he had been doing very well and for that reason expected to return. MARY JANE said that ANGUS has a "definite response" with the Japanese people with whom he had been working. LYLE commented that the picture in general did not appear to be very good to which MARY JANE agreed and said that the situation is pretty much the same as it is in Germany for the same reason. *eu*

MURRAY WEBB LATIMER

~~CONFIDENTIAL~~

The following investigation was conducted by Special Agent GEORGE A. VAN NOY.

MURRAY LATIMER's connection with GEORGE SILVERMAN is further reflected by the information received from Confidential Informant [REDACTED] to the effect that on July 11, 1946, SARAH SILVERMAN while contacting DOROTHY KAPLAN told the latter that HARRY MAGDOFF had been to the SILVERMAN residence on the previous evening to talk to GEORGE SILVERMAN about MURRAY LATIMER and DAVE WEINTRAUB, who was the Deputy Director General of UNRRA. SARAH SILVERMAN remarked that LATIMER wanted to become commissioner of the Bureau of Labor Statistics and that GEORGE SILVERMAN was to assist him but that HINRICKS, former commissioner had resigned only with the stipulation that LATIMER would not be given the job. (u) b2 b7D

Other contacts between LATIMER and SILVERMAN are revealed in the following information reported by Confidential Informant [REDACTED] (u) b2 b7C

On July 27, 1946, LATIMER's wife, EDITH LATIMER, was informed by SARAH SILVERMAN that the latter and GEORGE SILVERMAN would visit the LATIMERS on the following Monday evening to celebrate the passage of the railroad retirement legislation. Again on September 18, 1946, LATIMER contacted GEORGE SILVERMAN's office asking for SILVERMAN who was out and leaving a message for SILVERMAN to contact him. LATIMER again called SILVERMAN on September 20, 1946, and the two planned a meeting for 12:30 p.m. at the Lafayette Hotel on the following Tuesday remarking that they had a lot to talk about. They were to have met that day but LATIMER was unable to come. SILVERMAN remarked that while he had been waiting for LATIMER to keep this engagement one MARION HEDGES (ph) had met him which meeting had lead to a discussion of the WALLACE affair and its effects on the political situation. SILVERMAN said that he had agreed with HEDGES that WALLACE's statement and his subsequent resignation made the beginning of the end of the Democrat party. LATIMER remarked that the whole affair was the worst tragedy of errors that he had ever seen and that he thought that WALLACE could have used better judgment as to the timing of his statement. LATIMER agreed with SILVERMAN when the latter remarked that he believed that what WALLACE had said had to be said. SILVERMAN stated that he thought the affair had resulted in the formation of a new party which he referred to as the Republic-Demos or the Demo-Repubs, to which LATIMER answered that he thought it would be better to call them the "Canned Cracks." (u)

On September 24, 1946, one CLINT contacted GEORGE SILVERMAN to arrange a luncheon date for that day but was informed that SILVERMAN had a previous engagement with MURRAY LATIMER. (u)

LATIMER said that the job should be filled right away but Mrs. KEENEY told him that she would not be able to take it for about a month because she had a couple of important matters for at least that length of time. LATIMER explained further that he had 60 cases, case histories, which needed rewriting and Mrs. KEENEY agreed to come down to LATIMER's office to talk to him about the matter. (u)

At the time of this contact the informant ascertained that HARRY was at the CBS studio and on this occasion BEADIE also conversed with JEAN who was in the control room. Subsequently, BEADIE contacted BASSIE relating HARRY'S message. BEADIE informed BASSIE that she thinks the program is BOB ~~HELLER~~'S. On this date the informant advised that HARRY MAGDOFF in New York City contacted BEADIE who commented that the radio program was wonderful. HARRY advised that he had never heard anything like it on the radio and BEADIE agreed, remarking that she had called the FITZPATRICKS, the STONES, and the VAN TASSELS to have them listen. She advised HARRY that BASSIE was very reluctant because he felt he could not just contact WALLACE and request him to listen to the radio program. However, BEADIE informed BASSIE that she did not know the details but he could place the blame on HARRY. BEADIE explained further that later BASSIE contacted her and stated that he and WALLACE had a nice chat about current events and the secretary agreed to listen to the program. BASSIE thought the program was terrific. HARRY informed BEADIE that he had heard about the program the night before and that BOB HELLER was excited. HARRY suggested that if BEADIE was in contact with BASSIE she suggest to him that WALLACE write a letter to PALEY (phonetic) President of the Columbia Broadcasting System, about the program. HARRY advised BEADIE that he would return to Washington Saturday at 4:40 p.m. On the same date BEADIE contacted BASSIE and informed him of her conversation with HARRY and HARRY'S suggestion about writing a letter to CBS president PALEY. The commentator gave as examples of the fact that Fascism had not died the following:

3. The commentator referred to boys throwing stones through the windows of a synagogue during the recent Jewish holidays.
4. The commentator mentioned people say "never hire a nigger."

The commentator remarked that by giving these examples he was talking about the whole world and not America alone. He remarked that we have got to see these things snuffed out in America by the "empty noose" before we can say that we have conquered and Fascism has died. The commentator remarked that the Big Four can agree on matters because they agreed on the hangings of the German leaders.

appears that MAGDOFF is endeavoring to urge the new Council of American Business, Inc, to establish a research institute which MAGDOFF would head and then take into his employ certain friends of his such as ED FITZGERALD, GEORGE SILVERMAN, V. LEWIS BASSIE, and possibly others. It further appears that this research institute would cooperate or function in conjunction with the political organization which these men desire to establish. ED FITZGERALD informed BEADIE MAGDOFF that if they could get an organization HENRY A WALLACE would jump to them. BEADIE agreed that this would be something terrific because they would have the smartest people in the United States to do research. ED said that it would be wonderful for "us" and BEADIE agreed and said "and as far as the rest of the country is concerned it won't matter a damn." During the discussion with FITZGERALD, BEADIE advised that BOB HELIER had been making demands on HARRY MAGDOFF which HARRY was able to meet but caused him to feel a little embarrassed. BEADIE advised that HARRY had changed his mind about HOB. ED stated that KITTY (?), MRS. LEHMAN (phonetic), WENDY'S mother, invited them to come and see MANAWILSKY (phonetic). However, HARRY and ED did not feel like it but later they realized who MANAWILSKY was but were of the opinion that they could not talk very much to a Russian with an interpreter. It is possible that MANAWILSKY (phonetic) may be MANUILSKY in view of the fact that DIMITRI Z. MANUILSKY is the Ukrainian Foreign Minister.

On this date ED FITZGERALD contacted BEADIE MAGDOFF and they discussed HARRY'S recent trip to New York. BEADIE related that the only thing the businessmen in New York were interested in was for HARRY to come through immediately.

October 26, 1946

On this date HARRY MAGDOFF and ED FITZGERALD discussed HARRY'S trip to New York and his contact there with SAM RUBIN and the other businessmen in regard to the institute which HARRY would like for the Council to establish. HARRY is of the opinion that these New York business men should come down to Washington and meet with HARRY and the other men and discuss the organization which they desire to establish. On this occasion ED commented that they might all take off time to get together with the New York men in view of the fact that HARRIMAN (Secretary of Commerce) had been through the offices and ED figures that the first move will be to push them "down in their place" although he does not believe they will be unemployed right away. ED remarked that HARRIMAN had obtained a new solicitor in FISHER (phonetic). ED commented that he thought it was definite that they would get together Monday with HARRY WHITE and the rest to continue their discussions.

KAPLAN is of the opinion that HARRY should not let the desires of GEORGE SILVERMAN influence HARRY in his endeavors to win over the New York businessmen to his views. X u

CARL'S brother, a Lieutenant just out of the Army, heard that the Rochester office needed men but he would like anything. HARRY advised that the regional director in New York is a friend of his and he can give CARL'S brother a letter of introduction to him. Also, he has a friend who is a producer in CBS in New York. PHYSICAL SURVEILLANCE

~~CONFIDENTIAL~~

The following surveillance was conducted pursuant to information provided by confidential sources of this office on October 20 and 21, 1946. These sources advised that a meeting was being arranged at the apartment of HARRY WHITE and that HARRY MAGDOFF would attend. At 7 P.M. a surveillance was instituted at the residence of HARRY MAGDOFF on October 21, 1946 by Special Agents CARL VOELKER and COURTLAND J. JONES. At 7:40 P.M., MAGDOFF entered his car and proceeded to the residence of V. LUIS BASSIE, 3908 South 7th Street, South Arlington, Virginia. At 8:05 P.M., MAGDOFF and BASSIE left the residence and drove in BASSIE'S 1939 Gray DeSoto Sedan bearing Virginia license number 476-749 to the Westchester where agents WILLIAM CORNELISON, and GEORGE A. VAN NOY observed them enter and proceed to the apartment of HARRY WHITE. Prior to their arrival, Agent BRENT at 8:10 P.M. heard a man ask the elevator girl for Apartment 114B which is the apartment of HARRY WHITE. This man was observed to leave the elevator on the floor where WHITE'S apartment is located and it was noted that the man was wearing a gray felt hat with the brim up all the way around and a gray topcoat. This individual entered WHITE'S apartment and was later identified by the New York Field Office as BERNARD BERNSTEIN.

At 8:35 P.M., Agents observed ED A D FITZGERALD and IRVING KAPLAN enter the lobby and go to WHITE'S apartment.

All of the above men were observed later during the surveillance to be in WHITE'S apartment.

At approximately 9:15 P. M., Agent CORNELISON heard another man being introduced to those in attendance. At this time the name of GEORGE was mentioned and the name of PHIL WOLSKI (phonetic) was mentioned. It is to be noted that a confidential source had previously informed that PHIL from Ohio was staying with the WHITES.

At 11:20 P. M., BASSIE came out alone and left in his car. At 11:50 P.M. the man identified as BERNARD BERNSTEIN came out and was surveilled by Agents VOELKER and VAN NOY to the Washington Terminal where he boarded a Baltimore and Ohio train for New York at 12:30 A.M.

At 12:35 A. M., MAGDOFF, KAPLAN, FITZGERALD and GEORGE SILVERMAN came out of WHITE'S apartment and all left in KAPLAN'S car. Further surveillance by agents revealed that only HARRY WHITE, his wife and PHIL were left in the apartment and were preparing to retire for the night. The surveillance was discontinued at 12:45 A.M.

During the course of the surveillance at WHITE'S apartment, it was ascertained by Agents JONES, CORNELISON and VAN NOY that the above group generally discussed politics and mention was made of WALLACE, PHIL MURRAY and the merger of the CIO and A.F. of L. While Agent VAN NOY was in a position to hear portions of the groups discussion, he ascertained that they were talking generally about a political campaign centering around WALLACE. He heard conversation concerning the formation of a ROOSEVELT league, apparently within the Democratic Party, to constitute a pressure group in the Democratic Party to align the Left Wing with other factions in support of WALLACE. Mention was made that ROOSEVELT'S name be used in preference to WALLACE but that WALLACE would lead the group. Mention was made regarding work in the PCA, CIO and A.F. of L. Agent VAN NOY further heard conversation to the effect that MURRAY was not powerful enough to bring the CIO and A.F. of L. together but WALLACE could.

Reference is made to page eight in the report of Special Agent EDWARD L. HUGHES, dated October 16, 1946, at Cleveland, Ohio, in the GREGORY case. This reference reveals that the Washington Field Office requested the Cleveland Office to ascertain who resided at 606 Market Avenue, Canton, Ohio in view of the fact that an individual using this address had corresponded with HARRY D. HITE, a subject in the GREGORY case. The Cleveland investigation revealed that PHIL BUNOSKI received his mail through Gold-Tone Studios located at 600 Market Avenue, Canton, Ohio. The files of the Cleveland Field Division, according to the above reference, reflect that PHIL BUNOSKI, with aliases, PHIL BUNOSKI, PHIL BUNASKY, PHIL BUNASKI, GERALD BUNSTRAN and PHIL BUNOSKY, had come to Canton, Ohio from Pittsburgh, Pennsylvania; that he lived with his wife, JEAN BUNOSKI and both were Communist Party members.

On January 31, 1946, PHIL BUNOSKI was elected by acclamation to the position of Press and Educational Director of the Communist Party Group of Canton, Ohio. On April 20, 1946, the Cleveland Office was advised that PHIL BUNOSKI had been chosen and agreed to attend a Party School in New York City for six weeks and that upon his return to Canton, Ohio he would teach Communist Party classes. BUNOSKI is an active Communist in the Canton area. It is believed that PHIL BUNOSKI is identical with the PHIL who was at WHITE'S apartment on October 21, 1946.

The following description of PHIL obtained during the surveillance on the night of October 21st and during a spot check of him on October 22, 1946 has been furnished to the Cleveland Field Office in an endeavor

"FRANK H. FLETCHER, mail carrier, Roslindale Post Office, submitted the following background information concerning the CLOW family, residing at 15 Tyndale Street, Roslindale, Massachusetts, on September 26, 1946. "Quite a time has passed that you have not let me hear from you, but I shall not let myself think that anything bad has happened, because in your last letter you said you would let me know if anything had happened. Now I hope that you are all in good health.

"Dear Mile, I have nothing good to write to you but only bad. I receive all kinds of news from home. All my trouble and sacrifices for bringing them here and for being united again, and now they are making new plans. Lilianna refuses to come to America but wants to get married. I do not know to whom. They say: Father, we hope that you received our letter in which we told you everything about my engagement. I never received this letter and have no idea about all this.

"So, dear Mile, you can imagine my feelings in this matter. This is what I think: Who in Bari (?) can it be? A gypsy or a Turk? There are really no huts there, but a woman loses her head and she is willing to bury herself all her days in Bari (?). There is no way of helping. Perhaps if Djuro (George) had arrived there in time everything would be different today. Djuro would have given her better advice and he would have won her over, that is, he would have advised her to come to America anyway and she can get married here. And if she is in love with him he will have a chance of coming here too when she becomes an

American citizen. But now, she wants neither to go home nor to come here. I shall go crazy. What will happen will happen. Please, Mile, write me a note and tell me whether Djuro has left for the old country. As I wrote to them they have been expecting him for a long time. For I wrote them all the dates you wrote me that Djuro would leave, but all that has changed, much to my unhappiness. And so they say: Djuro is not coming as you said. Now I no longer know what to write to them until I have heard something definite from you. If Djuro has not left and does not intend to do so for some time, put my money aside. Perhaps I shall leave and go home too, especially since I am angry now that all this is happening. If only I were in time to destroy all (those plans) and bring them all here. But where will they turn in that Gypsy Bari (?).

"That is all the news. Love from your cousin

During the week beginning October 21, 1946, DORIS and ABEL PLENN had two visitors, namely FLORENCE BUFANO and VIRGINIA BERRY OHTA. These women are apparently acquaintances of the PLENNs who apparently have known them for several years and apparently originally became acquainted with them during the time of their residence in the New York area. During the time of their visit at the PLENN home, FLORENCE BUFANO occupied herself with making social contacts while VIRGINIA BERRY OHTA worked unceasingly in an effort to obtain a Governmental position for her husband, TAKASHI OHTA, who is a Japanese. VIRGINIA is an American, age about 65 years, and she has three children named TOCASHI, TOJI, and HOMARI. HOMARI is reported to be stationed in the Army Medical Corps in Louisiana. In an effort to secure the desired position, preferably in the State Department, for Mr. OHTA, VIRGINIA contacted such men as General FRANK MCCOY of the State Department, HERBERT S. LITTLE (formerly Colonel Little of OSS), BERNARD WHITE, local Georgetown Attorney (believed to be formerly in the Contract Division of the Navy Department, Washington, D. C.) BRUCE ROGERS, formerly with OSS, and now employed with the Strategic Bomb Survey in Japan, and NICHOLAS KOTTRELL of the State Department. During the course of her visit VIRGINIA BERRY OHTA was able to talk with all of the above persons with the exception of BRUCE ROGERS who is in Japan. It is also noted that Mr. HERBERT S. On October 25, 1946, ANDREW H. OLDER talked to DORIS PLENN and inquired for ABEL. DORIS PLENN told OLDER that ABEL had just left his residence and was going to the office of a friend, LEONARD PENNIE (of the State Department). (u)

On October 26, 1946, KATHERINE HURLEY had a lengthy conversation with DORIS PLENN. During this conversation KATHERINE HURLEY asked for the telephone number of ALLEN BENJAMIN. DORIS PLENN gave the number as Taylor 6527 and BENJAMIN'S address as 308 Upshur Street, N. W. It is noted that ALLEN BENJAMIN has previously been identified as a boyfriend of DORIS PLENN'S daughter EMILY BASSHE (TOPPIE). BENJAMIN is a medical student at George Washington University. KATHERINE HURLEY also told DORIS PLENN that she attended the Washington Book Shop meeting on the evening of October 25, 1946, and heard ILONA SUES speak on China. KATHERINE further stated that she attended a party for SUES after the meeting. SUES told KATHERINE HURLEY that she felt it was a mistake to have such small meetings at insignificant places and that the Washington Book Shop ought to tie up with some other organization. KATHERINE and DORIS then had a discussion pointing out that the difficulty about the Washington Book Shop was the fact that its discussions always reached the same people and that the objective should be to get to the reactionaries. (u)

Note: ILONA SUES is obviously identical with the ILONA ROLE SUES who has gained publicity as an author on the behalf of her book "Shark's Fins and Millet."

KATHERINE and DORIS also discussed General Franco and both of them seemed quite elated over his current difficulties and the possibility of an outbreak with him by some of the world powers. They also discussed the International Congress for Women and KATHERINE said that MARY JANE KEENEY had mentioned that this was the only organization in the U. S. which accepted Russian women. (u)

On October 30, 1946, DEWITT ELDRIDGE had a lengthy conversation with DORIS PLENN. ELDRIDGE discussed at great length his recent weekend trip to New York and his activities while there which were wholly of a social nature. ELDRIDGE mentioned that his wife HOPE had been attending a population convention in New York and was most enthusiastic about the foreigners there. According to ELDRIDGE, his wife is convinced that these foreigners are wonderful people. She told ELDRIDGE that there were French, Norwegian, Swedish, Mexican, Japanese, and Chinese experts present but that the Russians did not attend, evidently because they felt they would have to register as foreign agents. ELDRIDGE mentioned that HOPE stated that all of these experts were very hopeful--except the Americans. Only the Americans were depressed. A friend of HOPE'S in the Population Division was reported to have said "I have been this year to ten international meetings and in each one it has brought to my attention over again that this country (America) is the slowest, most backward, and dumbest in the world, at the moment." DORIS PLENN commented to ELDRIDGE that she is afraid this is true. It is also interesting to note that the informant reports that during this conversation DORIS PLENN asked DEWITT ELDRIDGE if he knew ILONA SUES, the author of "Shark's Fins and Millet" and ELDRIDGE replied that he did. DORIS also mentioned that there is a new book just published dealing with China which is mentioned by the Book of the Month Club and which deals with the new isolation policy, the "get out of China view." DORIS mentioned that "we all approve of the new isolation policy in China." DEWITT and DORIS also spoke at quite some length concerning HUGO PLENN'S new book and DORIS mentioned that it appears it will run from 900 to 1000 pages. *(S)*

#### PHYSICAL SURVEILLANCE

Spot surveillances have been conducted at the Library of Congress during the pertinent period and it has been ascertained that PLENN continues his previous policy of working very seriously on his book. He is apparently making good progress and has spent considerable time working on the bibliography.

VIRGINIA BERRY OHTA and DORIS FLENN called at NICHOLAS COTTRELL'S office and were received by him. They were observed by agents during approximately the next twenty-five minutes during which time almost all of the conversation was between VIRGINIA OHTA and COTTRELL. This meeting apparently concerned VIRGINIA OHTA'S efforts to have the necessary papers placed in order to facilitate her husband's desire to return to Government service. At the conclusion of the meeting, at approximately 5:41 P. M., VIRGINIA OHTA and DORIS FLENN left the State Department Building and walked north on West Executive Avenue to Pennsylvania Avenue where they hailed a cab and told the driver to go to Union Station. MISCELLANEOUS INFORMATION

Confidential Informant [redacted] whose identity is known to the Bureau, advised that on approximately October 5, 1946, MARY JANE KEENEY, subject in this case, received a letter postmarked October 4, 1946, Washington, D. C., from ABEL PLENN. Informant [redacted] advised that PLENN enclosed in this letter a check drawn on his account at the Hamilton National Bank, No. 143, dated October 3, 1946, payable to MARY JANE KEENEY in the amount of \$44.48. With the check PLENN enclosed the following note:

"10/3/46

"Dear Mary Jane:

"As you will notice, the enclosed check is for \$9.48 more than the amount we borrowed. The extra amount is for interest which we feel is almost due.

"Sincerely

/s/"Abel."

By letter dated October 18, 1946, the Chicago Field Division reported information of interest concerning PLENN'S recent trip to Chicago and Milwaukee which is reported in the report of Special Agent LAMBERT G. ZANDER dated November 5, 1946. It will be noted that PLENN left Washington on this trip October 4, 1946, and returned on October 9, 1946. The Chicago Field Division advised that information had been received that a meeting was held in the Ashland Auditorium on Sunday, October 6, 1946, by the Chicago Committee on Spanish Freedom which was attended by approximately 100 people in the midwest area. JOHN BERNARD acted as chairman and in his opening remarks pointed out that the conference was very important. He then stressed how the reactionaries of the State Department and the reactionaries of Congress are supporting the Franco regime in Spain in spite of evidence that he is a Fascist and should be eliminated from the Spanish Government. BERNARD stated that Franco should be replaced by a Loyalist Spanish Government which is now exiled. After BERNARD spoke the next speaker was RUSSELL NIXON of Washington, D. C., who described how American capitalists had invested money in Spain and how these capitalists had collaborated with German capitalists in Spain. NIXON specifically named the General Electric Company of New York as playing a leading role in this regard, and mentioned that their policies were supported by English capitalists and Republican and other reactionary Congressmen. PLENN followed NIXON as a speaker. He stated that in spite of the missions by ex-secretary of State EDWARD STETTINIUS and Secretary of State BYRNES, Franco was guilty

and further that his regime was not supported by the eighty-five percent of the Spanish people. PLENN contended that Franco was still found "not guilty" by the United Nations Conference principally because of his support by British and American diplomats. He pointed out that this support was contrary to all the agreements made by the Big Three; that Franco should have been removed immediately after the war.

As indicated in previous reports in this case, REDMONT is at present a correspondent with "World Report" magazine (published by DAVID LAWRENCE) in Brazil and Argentina. Of interest is an item appearing in the Daily Worker on October 14th and 15th, 1946 entitled "Peace Needs Democracy: Prestes", "Brazilian Communist Seize Strong Peace Forces".

The above referred to article is a reprint in two parts from an article in "World Report" magazine. The Daily Worker makes the following comment: "The position of the Communists of Brazil is set forth by LUIZ PRESTES, Party Chief in Brazil, in exclusive interview at Rio De Janiero with BERNARD S. REDMONT, Staff Correspondent of "World Report". In 1935 PRESTES was jailed by President GETULIO VARGAS, released last year and PRESTES quickly built up a party following that polled one tenth of the votes in the general election last November and sent him to the Senate.

This interview was written up in the form of a question and answer, the questions generally bearing on the strength and attitude of the Communist Party in Brazil and in other South American countries, and the attitude of the Party toward the United States and its relationship with Communist Parties in other countries.

ALLAN R. ROSENBERG~~CONFIDENTIAL~~

The following investigation covers the period October 16th to the 31st, 1946 and is reported by Special Agent WILLIAM H. MARR.

The mail cover maintained on the residence of subject ALLAN ROSENBERG, 6955 Brooks Lane, Brookmont, Maryland was unproductive during the above period.

Confidential informant [REDACTED] furnished the following information concerning the activities of the subject.

On October 18th ALLAN ROSENBERG talked to one MILTON TYRE (phonetic) telephone number reported as Van Dyke 7153 (city unknown). ROSENBERG told TYRE that he wanted him to know that the number of applications in the F. M. B. had dropped to 14 for 14 stations so that the individuals to get licenses will do so on their affirmative qualifications and probably without a hearing. In view of these circumstances ROSENBERG wanted TYRE to keep his affirmative qualifications and get them in excellent condition so that he might be able to get his license without a hearing. ROSENBERG instructed TYRE to secure a list of new stockholders, amendments, subscriber agreements, etc. ROSENBERG further pointed out that the FCC would probably not postpone the hearing beyond November 18, 1946.

On October 19, 1946 CARL GREEN talked to ERNA ROSENBERG, wife of the subject. Their discussion which chiefly concerned a party which they had both attended also included CARL's comment that PHIL DUNAWAY is not working but spends most of his time drinking while his wife LILLIAN continues to teach school. CARL commented that he wondered just what "PHIL" is up to.

On October 23, 1946 ALLAN ROSENBERG contacted ALLEN SAILOR, 4427 Freebolt, Detroit, Michigan. The telephone number is reportedly Tyler 7-8358. The conversation concerned the Wolverine Case which was discussed at some length in the report of Special Agent LAMBERT G. ZANDER dated November 5, 1946 and concerns the Wolverine Broadcasting Company. ROSENBERG told SAILOR that an amendment had been filed in this case which had not yet been acted upon. This concerned the transfer of ownership to four different individuals, namely T. R. KARTSEN, 1550 Woodward Avenue (President), EDWARD W. HARLEY, 3752 Kass Avenue (Secretary), STANLEY A. MCKENZIE, 104 Stork Building (treasurer) and OSCAR F. KOLBERG. ROSENBERG commented that KOLBERG used to be a foreman with the Dodge automobile company at that time the City Automotive Company, which organization he now owns. ROSENBERG mentioned that KOLBERG is "well fixed" and worth approximately a quarter of a million dollars. According to ROSENBERG, KOLBERG is a naturalized American although born in Germany.

~~SECRET~~~~CONFIDENTIAL~~

~~SECRET~~~~CONFIDENTIAL~~

ROSENBERG further mentioned that he can cause considerable trouble at the FCC Hearing on technical problems inasmuch as KOLBERG will have to produce a naturalization certificate. ROSENBERG informed SAVIOR that MCKENZIE is a dentist and has derivative citizenship; KARTSEW is a restaurant owner and lawyer while HARLEY is the Managing Partner of the HARLEY Buick Company. According to ROSENBERG these men have switched counsel and have now retained HAROLD MONT and VINCENT TELCH.

On October 29, 1946 ERNA ROSENBERG talked to CARL GREEN. CARL told ERNA that he expected to call ED BRECHER very shortly and that he would go to work tomorrow for BRECHER. ERNA suggested that CARL stay at the ROSENBERG home for the balance of the week pointing out that she and ALLAN know how deeply depressed CARL is. CARL mentioned that he would discuss this matter later with them. He commented that he had a long talk with DAVID AHL and that DAVID had outlined things for him. CARL also said he calls LISCHINSKY (SOLOMON LISCHINSKY) and that LISCHINSKY said that DAVE WEINTRAUB is in town. CARL said he has decided not to call WEINTRAUB about the United Nations as he has decided not to change jobs but will return to ED BRECHER.

On October 30, 1946 EMILY SCHARFMAN had a lengthy conversation with ERNA ROSENBERG. Their conversation consisted chiefly of a discussion of their respective husband's job and financial expectations. ERNA ROSENBERG commented that MAX LOWENTHAL recently had a talk with ALLAN and pointed out that the important thing to do is to keep up social contacts, meet new people, and make new business associations. ERNA said that MAX had particularly stressed getting into Washington Jewish circles. ERNA also mentioned that he could only continue so long on limited funds whereupon MAX suggested quite freely that he borrow money. The conversation from this point to its conclusion was generally social and insignificant.

#### Physical Surveillance

During the period of this report no physical surveillances were conducted on the subject.

He returned to the United States in September, 1927, and after being employed by various brokers in New York City he joined the OPA as an associate business analyst in December, 1941, and later in 1942 the Board of Economic Warfare. While he was with OPA, his landlady reported he was divulging the latest confidential information about rationing to his business friends in New York who dealt in commodities and were in a position to take advantage of such advance information. Investigation failed to establish that he was engaged in such practice. He was inducted into the U. S. Army on November 11, 1943.

The report of Special Agent W. D. GRONIN dated March 11, 1942, in the case "GERTRUDE COHEN also known as GERTRUDE BLANK, clerk-stenographer, REA, U. S. Fellow employees stated she distributed literature pertaining to the American League for Peace and Democracy, the WCDA. They declared she was an isolationist until HITLER attacked Russia. On interview by special agents of the WFO, she refused to answer questions about the WCDA but denied membership in any subversive organization. WFO letter to the Bureau indicated she moved about July, 1942, from 2515 K Street, N. W., to 420 Locust Street, St. Louis, Missouri, to which place her husband was transferred by the government. Consul General at Barcelona, Spain, to permit COHEN to return to the United States. A refusal notice which has the effect of requiring reference of any future passport application on the part of COHEN to the Frauds Section of the Passport Division indicated that COHEN had obtained the passport under false representations and that he actually used it for travel to Spain for military service.

On August 17, 1946, informant stated that JOSEPH SILVERMAN contacted his sister-in-law SARAH SILVERMAN and advised her he was going to Boston for a few days. He then talked with his brother, GEORGE SILVERMAN, and JOE asked GEORGE if he had called DAVE WHITE yet. GEORGE said he would take care of it and let him know. X(u)

On August 24, 1946, informant stated JOSEPH SILVERMAN contacted his brother GEORGE and advised him he had seen OSCAR and that OSCAR complained about not making enough money so that he could save some. GEORGE said he understands that HAROLD GLASSER was made director and they both agreed that that is a good thing. GEORGE said he wasn't working any more, only on his own stuff. X(u)

On August 28, 1946, informant stated JOSEPH SILVERMAN again contacted his brother, GEORGE SILVERMAN, and GEORGE asked him where he was located at this time. JOSEPH did not answer this question. X(u)

On September 14, 1946, subject again contacted his brother GEORGE, at which time he advised him DAVE WHITE had tried to contact him. They discussed playing volley ball and the names of HARRY WHITE and the SILVERMASTERS were discussed as persons who would possibly be there. The names of the individuals discussed by the subject and his brother GEORGE have previously been mentioned in the report of this case and information concerning them has already been reported. X(u)

Mrs. FLORENCE POWELL, resident manager of 2500 K Street, N. W., advised that the subject no longer resided at this address and that he had formerly occupied an apartment which he had sublet from MARJORIE BARRETT, employed in his office at the Treasury Department. Mrs. POWELL stated it was her opinion that Mrs. BARRETT is in Germany at the present time and that he had sublet her apartment until he found a new one. She advised he left no forwarding address. She stated he was never friendly with any of the other tenants and that his working hours were apparently late in the morning until late at night. She stated he lived at this address for approximately a year and left in August, 1946. X(u)

Superintendent of the United States Post Office, Georgetown, D. C., advised his records reflected a forwarding address for Mr. JOSEPH SILVERMAN from 2500 K Street, N. W., to 3030 Wisconsin Avenue, Apartment 10. It is noted that this address is an apartment house and that the subject occupies Apartment 10. His name is on the mail box with that of a Mr. YEMERBAUL and a Mr. GAUS. It is noted this apartment is owned by B. F. SAUL, 925 15th Street, N. W. X(u)

Mr. CHARLES L. EDWARDS, rental manager, B. F. Saul Company, Washington, D. C., advised that the premises of 3030 Wisconsin Avenue, N. W., had been purchased by his office from H. L. Rust in January, 1946, and that the X(u)

only records he had on hand for Apartment No. 10 at 3030 Wisconsin Avenue was a lease signed December 11, 1941, by ELEANOR GANS and ZIBIA SYRKIN. It is noted that the files of this office contain no information concerning these two individuals. Mr. MEDFORD advised that they were at the present time trying to contact the occupants of this apartment inasmuch as several complaints have been made recently of trash being thrown from the window of Apartment 10. (u)

LESLIE DAVIS, mail carrier, Friendship Post Office, Washington, D. C., advised that to his knowledge he has had no mail for a Mr. TENENBAUM or GANS in Apartment 10 at 3030 Wisconsin Avenue for approximately a year. He stated that JOSEPH SILVERMAN first appeared on this mail box at 3030 Wisconsin Avenue about two months ago and to his knowledge only a few letters had been handled by him during that time. (u)

Through the information desk of the Treasury Department and through observation it was ascertained that JOSEPH SILVERMAN occupies Room 5332 in the Division of Monetary Research of the U. S. Treasury. His telephone extension is 2258. (u)

During the physical surveillance of the subject on October 24, 1946, he was observed throwing something in the sewer at the intersection of Cathedral Avenue and Wisconsin Avenue, N. W. Within two hours the sewer at this point was opened and a great deal of miscellaneous letters, checks, bank statements, pictures, and film were found. However, a close scrutiny of all this material reflected it was at least a year old and the names on the material were EDWARD TENENBAUM and JEANETTE TENENBAUM. These are the names of the persons who have sublet the apartment the subject is presently residing in. The pictures and negatives found are on file in this office for future reference. (u)

Through an extremely confidential source it was ascertained that the subject is, in fact, living at the apartment of Lieutenant EDWARD A. and JEANETTE TENENBAUM. This source advised the only possessions in this apartment are those of the aforementioned persons and the only things belonging to the subject are several dirty shirts and a few clean shirts with a laundry mark of SILVER on them. The kitchen is apparently not used and no shaving materials were found in the apartment. However, the bed has been used and the apartment is in a general untidy condition. It was ascertained there is no trash taken from this apartment at any time by the janitor of this building. (u)

It is noted that B. F. SAUL COMPANY, the owner of this apartment house, has been trying to get in touch with the occupant to complaint about trash being thrown out of the windows. (u)

This confidential source also advised there is a telephone in this apartment. The exchange is Ordway 5673. It was also determined that this is a disconnect telephone for a party by the name of MURRAY. (u)

It has been noted during the course of this investigation that LAURENCE TODD and his wife DOROTHY are very close friends with PHILLIP O. and MARY JANE KEENEY who are subjects in the GREGORY case.

On October 18, 1946, Confidential Informant [redacted] advised this office that MARY JANE KEENEY contacted DOROTHY TODD at which time they discussed MARY JANE's injury resulting from a fall and MARY JANE's collection of clothes to be sent abroad as a Christmas gift. On this occasion MARY JANE advised DOROTHY that HELEN SILVERMASTER, a subject in the GREGORY CASE, had given her a handsome suit.

and that OLIVE CHUBA, a Tass employee, had also donated some clothes. On the same day the informant advised that DOROTHY TODD contacted MARY JANE KEENEY to extend a dinner invitation to MARY JANE for that night. How MARY JANE was compelled to decline the invitation in view of her accident. *u*

*u* advised that on October 29, 1946, MARY JANE advised LARRY TODD that her husband ANGUS would return to Washington on Sunday, Monday or Tuesday and he will probably see him in New York City. She informed TODD that ANGUS would be here until after Christmas. On this occasion TODD asked her how the meeting went and she replied that it was very interesting and a good audience. LARRY stated that he thought the "mass" in New York was one of the funniest. Also on this occasion MARY JANE conversed with DOROTHY TODD stating that she would probably be in New York late in November. They discussed the meeting (possibly the lecture of SUE WEST on China) and both agreed she had something to offer. *u*

Mr. JAMES B. MONTFORT, Manager, National Press Club, advised that the membership of BORIS KRYLOV had been approved on July 10, 1944. KRYLOV's proposal for membership, dated May 16, 1944, reflected that he was a reporter-editor, member of Washington Tass Bureau. and is as follows:

"Secretary of State Byrnes was asked tonight to prove his accord with the policies of President Truman by securing the resignation of Loy Henderson, head of the Middle East desk of the State Department.

"The demand was made by Bartley C. Crum, San Francisco lawyer and a member of the Anglo-American Committee of Inquiry on Palestine, at a dinner for delegates to the forty ninth annual convention of the Zionist Organization of America.

"Crum also called for the 'ending of all secret diplomacy in the Middle East' by closing down the 'pro-Arab' propaganda office of the oil industry in Washington and by the dismissal of Professor Philip Hitti 'who is now travelling in the Middle East as the cultural representative of the United States'".

On October 3, 1946 physical surveillance was conducted by Special Agents E. GRAMPP and E. L. FUOSS on DAVID R. WAHL. During the surveillance WAHL and a man later identified as SAM ROSENBERG left WAHL's office and ate lunch in JACK HUNT'S RESTAURANT at 1743 1/2 Pennsylvania Avenue, N. W. ROSENBERG later caught a taxi and rode to Thomas Circle and 14th Street and entered No. 1 Thomas Circle. (u)

Physical surveillance was conducted October 10, 1946 by Special Agents C. D. CHAPMAN and E. L. FUOSS. At 11:50 A.M. WAHL and an unidentified man left WAHL's office and walked to the Press Building, 14th and F Streets, N. W., and entered Room 8171, the office of "The Overseas News Agency". The unidentified man is described as: five feet, ten inches in height; weighing 160 pounds; having sandy, reddish hair, bushy, sandy mustache, thick horn-rimmed glasses, and wearing brown clothes.

At 1:23 WAHL and the unidentified man left Press Building and walked to 17th and Pennsylvania Avenue where they were parked. The unidentified man walked to the Roger Smith Hotel, Pennsylvania Avenue and 13th Street, N. W., where he was met by a man and introduced to a woman companion of this man. The introduction was partially overheard and the man who was previously with WAHL is believed to be named

UBREY (phonetic) —. The second unidentified man at the Roger Smith Hotel was described as: five feet, eleven inches in height; weighing 170 pounds; being bald (hair only on side and back of head); having fair, sallow complexion. The three individuals left the lobby and entered a car opposite the hotel, the car bearing license plates DC 99505. This car was listed as being owned by PHILIP STANLEY OWEN, 2318 44th Street, N. W., a physician employed by National Research Council, 2101 Constitution Avenue, N. W. Surveillance was discontinued at Roger Smith Hotel as there was no available means to follow subjects.

The cross directory lists the residence 2318 44th Street of one JOSEPH MARION JONES, Jr. who was employed as war correspondent for "Time Magazine". A spot check at 2318 44th Street, N. W. revealed a Ford convertible coupe parked in the driveway of this residence. The license number of the Ford was 72-356 DC and was registered to one ELIZABETH P. DOMINICK, 3055 Q Street, N. W. Inasmuch as it was raining the day that these individuals were at the Roger Smith Hotel it is possible that the owner of the Ford drove the car listed to OWEN, which was a 1940 Nash tudor sedan. PHILIP STANLEY OWEN was later identified by the surveilling agents and JOSEPH M. JONES was identified by his picture and it was determined that neither OWEN nor JONES was either of the men observed by the surveilling agents at the Roger Smith Hotel.

The Field Office indices and credit checks were negative regarding ELIZABETH P. DOMINICK.

On October 16, 1946 a physical surveillance was conducted by Special Agents C. D. CHAPMAN and E. L. FUOSS at WAHL's office at 1706 G Street. At 12:35 WAHL and PHILIP DUNAWAY left WAHL's office and walked to JACK HUNT'S RESTAURANT, 1743 1/2 Pennsylvania Avenue, N. W. At 1:45 WAHL, DUNAWAY, and SAM ROSENBERG left HUNT'S, caught a taxi and left. Surveillance discontinued after checking various likely residences that subjects may have visited. There was no available means of following subjects at the time of their departure.

On October 23, 1946 Special Agents C. J. JONES and E. L. FUOSS conducted a surveillance at WAHL's business address. At 11:20 A.M. SAM ROSENBERG left WAHL's office carrying a brief case, film or photo screen in rolled up case, and a large brown manilla envelope stamped Civil Aeronautics Administration, and proceeded by taxi to No. 1 Thomas Circle to the offices of the C.A.A. on the third floor.

~~CONFIDENTIAL~~

On October 15, 1946 Special Agent HILLSBORO of the New York Field Division telephonically advised Special Agent LAMBERT G. ZANDER of the Washington Field Division that URSULA WASSERMAN departed from New York City at 10.30 AM and her destination was Washington, D.C.

Special Agents L. M. BEST and FRANK GALLANT were accompanying her.

Confidential Informant [redacted] has previously advised the Washington Field Division that URSULA WASSERMAN was coming to Washington and would reside at the apartment of MARY JANE KEENEY, 215 B Street, NE during her stay. *X u*

b2  
b7D

Accordingly Special Agents CARL VOELKER and VINCENT HUGHES of the Washington Field Division met the Pennsylvania train bearing URSULA WASSERMAN at 2.30 PM and took over the surveillance from Agents BEST and GALLANT. At this time URSULA was observed to be wearing a blue pin striped suit with a fur piece, pink hat and red shoes. WASSERMAN was met at the entrance to the Union Station by MARY JANE KEENEY and the two of them proceeded via MARY JANE's automobile to the latter's apartment.

At 4 PM on October 15, 1946 Special Agents COURTLAND J. JONES and GEORGE G. McKENNA took over the surveillance and no activity was noted until 6.55 PM. At this time an individual later identified as ALIX REUTHER was observed to arrive in the vicinity of 215 B Street on foot to enter the apartment building and then to proceed to that apartment of MARY JANE KEENEY. Special Agent JONES observed REUTHER entering the apartment and overheard the greeting that she received from MARY JANE. It was a foreign language probably French. Agent JONES observed that ALIX REUTHER was carrying a brown manila envelope about ten inches by fifteen inches on which was printed in the upper left hand corner "War Department." She was also carrying a large bundle wrapped in heavy brown paper. At 10.55 PM MARY JANE KEENEY and ALIX REUTHER were observed to leave the apartment house accompanied by MARY JANE's black French poodle dog. They walked two blocks to a nearby street car line at which time ALIX boarded a streetcar and Agent McKENNA accompanied ALIX REUTHER on the streetcar and Agent JONES followed by automobile. It was observed that Miss REUTHER still carried the brown manila envelope heretofore described as well as the bundle. Agent McKENNA was also able to observe that ALIX was reading the Washington Post newspaper dated October 15, 1946 and appeared to be interested in an article written by DREY PEARSON.

entitled: "The Washington Merry-Go-Round". One of the sub-headlines of this article was "Russians Have Health Respect for U.S." When the streetcar reached California and Columbia Road, NW REUTHER disembarked and walked west on California street to 2231 California. She entered apartment 107 at 11.32 PM as observed by Special Agent McKENNA. It was also noted that apartment 109 of this building is occupied by INEZ RUNOZ who has figured in this investigation and is known to be an intimate associate of HELEN TENNEY and a contact of JOSEPH GREGG.

Special Agents McKENNA and JONES had an excellent opportunity to observe LILX REUTHER and the following description was then obtained.

Age - 35 - 40 years.  
Height - 5' 5"  
Weight - 125-130 lbs.  
Build - medium slender  
Hair - dark brown wavy, parted on left side  
cut in boyish bob exposing fairly large ears.  
Forehead - quite perpendicular, of average height  
Nose - sinuses convex  
Eyes - blue  
Mouth - small but puffy suggesting that she has buck teeth  
Cheek bones - high  
Dress - light grey cloth coat, no hat, silk scarf, black gloves, silver identification bracelet on left wrist.

On October 16, 1946 Special Agents GEORGE VAN NOY and A. S. BRENT instituted a surveillance of URSULA WASSERMAN at 8 AM. At 12.10 PM she was observed to leave the residence of MARY JANE KEENEY, 215 B Street, NE and to proceed by cab to the Hamilton National Bank located at 14th and G Street, NW. In front of the bank she met an individual later identified as CAROLYN G. BERNHARD and embraced her. WASSERMAN and BERNHARD entered the bank and stopped at a desk where the subject wrote a check which she gave to BERNHARD. BERNHARD then proceeded to a teller's window and cashed the check. Special Agent BRENT ascertained from the teller that WASSERMAN had written a check in the amount of \$20 on the National City Bank of New York payable to CAROLYN G. BERNHARD. It was endorsed by Mrs. BERNHARD and beneath the endorsement the teller had added in pencil c/o JEANNE M. BERNHARD. It was ascertained that JEANNE M. BERNHARD opened an account at this bank in September of 1946 and resides at 606 Four Mile Road, Alexandria, Virginia. She is employed as an Administrative Assistant at the Navy Department.

Pleasant car and proceeded to 14th and F Street, N.W. at which time she transferred to a Wisconsin Avenue streetcar and proceeded to the 3100 block of Wisconsin Avenue. At 6 PM she was observed by Agent MOSSBURG to enter apartment 508 which is occupied by VICTOR and JUDITH HELLER. At 6.35 PM subject left 3130 Wisconsin Avenue and proceeded by cab to FAN and BILLS Restaurant, Connecticut Avenue, where she joined MARY JANE KEENEY and two unidentified men at dinner. At 8.10 PM URSULA WASSERMAN, MARY JANE KEENEY and the two men walked to Connecticut Avenue and K Streets, N.W. where MARY JANE departed from the group. At 8.20 PM WASSERMAN and the two men boarded a Virginia bus and proceeded to Colonial Village, Arlington, Virginia. At North Quinn Street they were observed to get off the bus and to proceed to apartment 207, 1726 North Quinn Street. At 11.05 PM subject departed from 1726 North Quinn Street, boarded a bus for Washington, D.C. and arrived at MARY JANE KEENEY's apartment at 11.50 PM.

Reference is made to report in this case wherein information was set forth that the subject had made payable two checks on March 4 and 5, 1946, for \$5.00 each to J. N. RASBACH Photostat Service, Shelton, Connecticut. In a letter dated October 17, 1946, the New Haven Field Division furnished the following information regarding the J. N. RASBACH PHOTO SERVICE:

This is to advise that Chief JOHN DONOVAN of the Shelton, Connecticut, Police Department and several other sources who were contacted at Shelton have stated that little is known about the J. N. RASBACH PHOTO SERVICE. The information received from DONOVAN was to the effect that the RASBACH concern has been in Shelton for approximately three years, and is conducted by J. N. RASBACH and his son, both of whom keep themselves so aloof from any activities in Shelton that the Police Department is of the belief that they might possibly not be a legitimate organization.

In view of this information, no attempt was made to contact the J. N. RASBACH PHOTO SERVICE at their place of business at Myrtle and Coram Avenues in Shelton because of the fact that there might be some close connection between DONALD NIVEN WHEELER and a member of this concern.

Physical Surveillance

On October 31, 1946, a spot check of the subject's residence was made by Special Agents CHARLES G. CLEVELAND and E. HYATT MOSSBURG from 8:45 A. M. to 11:00 A. M. on this date in an effort to ascertain subject's present place of employment with negative results.

On November 1, 1946, surveillance was conducted by Special Agents CLEVELAND and MOSSBURG from 8:30 to 10:30 A. M. At 10:00 A. M. the subject's car was observed leaving the entrance of his driveway and proceeding south on MacArthur Boulevard. At 10:09 A. M. it was observed the subject was not in the car as his wife parked the car and approached several women in front of a Safeway Store on MacArthur Boulevard. Mrs. WHEELER then proceeded to ask the various persons entering the store to sign a pledge not to pay over sixty cents a pound for meat. A card was obtained from Mrs. WHEELER which reflects that the following organizations are cooperating to organize the various housewives to pledge not to pay over a certain amount for meat in the District of Columbia:

- Central Labor Union - AFL
- Industrial Union Council - CIO

Mail cover over the address of WHITE during the period of this report revealed delivery of a communication postmarked October 21, 1946, addressed to WHITE from the Democratic National Committee, Mayflower Hotel, Washington, D. C. No other communications of interest were reported during this period.- It would appear coverage furnished in this matter is still incomplete in view of the meager results.

The following information was obtained from [redacted] (u) b2 b7D

October 16, 1946 (u)

In the evening WHITE endeavored to contact JOEL FISHER, Carlyn Apartments, 2500 Q Street, N. W., Decatur 7798. Mrs. FISHER advised WHITE that JOEL was attending an American Veterans Committee dinner and that CHARLES BOLTE of that organization down from New York was keeping him busy. WHITE stated WILSON WYATT's assistant had called him and apparently JOEL had discussed a position for FISHER replacing one of WYATT's colleagues. WHITE indicated he gave JOEL a good recommendation and wanted him to know about it. He stated WYATT would have confidence in WHITE's recommendation and he did not indicate he was a close friend but rather that he knew about the excellent work FISHER was doing. (u)

Later the same evening JOEL FISHER contacted WHITE thanking him for the recommendation. FISHER indicated he had lunch with C. B. (possibly CHARLES BOLTE or perhaps someone connected with FHA) and later saw WILSON (WYATT) who wanted FISHER definitely. FISHER stated he told C. B. that WHITE could outline FISHER's abilities. He also stated he gave MORGENTHAU's name and that MORGENTHAU's son had called stating his father gave FISHER a good recommendation. (u)

WHITE advised FISHER at some length as to how to conduct himself in the new position, apparently expeditor of housing. They also discussed a meeting on the previous day of NAC and discussed the British and hurting their feelings. WHITE attended the meeting this morning and FISHER mentioned BASSIE and MAGDOFF were shouting about it. FISHER mentioned his being with the American Veterans Committee. He stated it keeps him busy and he had made about twelve speeches in fourteen days. (u)

October 17, 1946 (u)

On this date ANNE WHITE advised RUTH, possibly RUTH RIEDERER, they had signed an agreement to purchase the New Hampshire home in June. (u)

On the same morning WHITE advised his wife the Polish ambassador wanted him to have lunch concerning "something urgent," but he had another engagement and finally decided on dinner that night. WHITE suggested ANNE send flowers for him to DE L'ARCENTAIS congratulating her on the birth of a son. The address was furnished later as 3503 Woodley Road, N. W. (u)

On the same date ANNE WHITE advised AGNES DELANO she would be unable to attend AGNES' meeting Friday evening. (u)

[October 18, 1946] (u)

No information of value. (u)

[October 19, 1946] (u)

On this date one CARTER, Transportation Division, International Monetary Fund, discussed transportation on a ship of the Cunard Line indicating there was a waiting list of 700 but his contact GEORGE WATKINS would do his best for them. (u)

On the same date WHITE contacted one JOSHI indicating he could not find a paper on block sterling which JOSHI sent him some time ago, and requested an additional copy. (u)

[October 20, 1946] (u)

WHITE contacted DAVID WEINTRAUB, 6615 5th Street, N. W., phone Taylor 2601, who mentioned he had seen a relative of WHITE, a sister of a former brother-in-law. He stated this woman was an attorney who had been working with the state of New York and desired to become connected with the Veterans Administration. WHITE stated he was not much interested in her but would see what he could do about placing her. (u)

[October 21, 1946] (u)

One PHILIP contacted ANNE WHITE indicating he had just arrived in town and had intended sending a telegram from Wheeling but forgot her address. PHILIP indicated he had been around and seen some people and was furnished directions by ANNE to the WHITE apartment. (u)

Concerning this individual, reference is made to the report of Special Agent EDWARD L. HUGHES, Cleveland, Ohio, dated October 16, 1946, reporting investigation of one PHIL BONASKI with aliases identified therein as a known communist. Investigation concerning BONASKI grew out of a request for inquiry at the address 606 Market Street, Canton, Ohio, on May 20, 1946, which was a return address on a communication addressed to HARRY D. WHITE. In view of the fact that BONASKI had used this address as (u)

a place for receiving mail, the possibility exists that he is identical with the individual PHIL whose description is set forth hereafter. A letter was addressed to the Cleveland Office on October 30, 1946, requesting photograph and description of BONASKI and suggesting that mail cover be placed over the above address. (S)(u)

WHITE contacted his wife who asked if WHITE had invited those people for Friday night. Subject indicated neither was in that afternoon, indicating the guests might be employees of the International Bank or Fund. (u)

October 22, 1946 (S)(u)

RUTH FRIEDBERG contacted ANNE WHITE who mentioned she had a guest from Ohio who would be there for a week, presumably referring to PHIL. (S)(u)

Later ANNE WHITE conversed with FRANCES EDELSTEIN mentioning she was postponing the Friday thing because she had a guest from Ohio, "the writer boy," whom she had not seen for years. This reference also appears to concern ANNE's guest PHIL. (S)(u)

October 23, 1946 (S)(u)

PHIL, the guest of WHITES, contacted one SAMMY indicating he was going over to visit SAMMY at the latter's house. Conversation indicated PHIL and SAMMY were both young men and possibly war veterans. PHIL mentioned he had heard SAMMY was going to have an operation and SAMMY stated it was so small and trivial he felt silly about going to a hospital where there were so many amputees. SAMMY gave PHIL directions to his home by suggesting he take a Chillum 4 bus. PHIL stated he had no luck on a job as yet. (S)(u)

On the afternoon WHITE indicated he was with GIMP/COHEN and ANNE mentioned PHIL would not be at home. Presumably COHEN was having dinner with the WHITES that evening. (S)(u)

On the same date JOEL FISHER informed ANNE WHITE "We are not going with WILSON WYATT." He stated the job had been offered to him, but he turned it down and remarked, "We are leaving tonight for the west coast." FISHER stated they were going to meet his in-laws and would return about November 15, 1946, and two weeks later he would go to London with his wife MARY JANE. FISHER is going to be assistant director of the International Committee for Refugees. He stated he had discussed the matter with PALEY and JOE DUBOIS and all the fellows. (S)(u)

On this date PHIL again contacted SAMMY indicating he would visit him shortly and received instructions to SAMMY's home. SAMMY mentioned he would have to leave for school between 4 and 4:30 p.m. X(u)

[October 25, 1946] (u)

FRANCES EDELSTEIN and ANNE WHITE engaged in conversation indicating they and PHILIP were going for a walk that day. X(u)

On the same date WHITE advised his wife that RANDOLPH FELTUS was in town. WHITE indicated he would bring FELTUS home for supper. X(u)

[October 26, 1946] X(u)

WHITE endeavored to contact BERNARD BERNSTEIN unsuccessfully and left word for BERNSTEIN to contact him. X(u)

WHITE contacted SAM MILLER who mentioned he and his wife EVELYN were planning on leaving in about two weeks. Although they do not have an apartment at the other end, they will likely stay with EVELYN's parents for awhile. X(u)

PHIL contacted ANNE WHITE advising he was on his way home. ANNE remarked VERNON had just walked in. Shortly before this VERNON informed ANNE he had just come in at Union Station. X(u)

[October 27, 28, 1946] X(u)

No information of value. X(u)

[October 29, 1946] X(u)

WHITE contacted Mr. ZACH SAAD (phonetic), Shoreham Hotel, inviting him to attend the show "Raimu" at the Hippodrome Theater and thereafter drop by WHITES' apartment for a chat. This was accepted. X(u)

[October 30, 1946] X(u)

1946, on the subject "What We Should Do with Germany." ANNE invited the woman to visit them, and the woman stated "There are certain people with whom we can't be--I mean, we can't be with Embassy--you know, but we would like to be with your friends." ANNE stated they have not asked anyone else except she thought she could ask BERNICE BERNSTEIN over. The woman mentioned LUCY, apparently a friend living in Georgetown. They also discussed the man who runs the Forum of the Air as being a friend of HENRIETTA, possibly HENRIETTA KLOTZ, both being acquainted with him. The woman mentioned he wanted to broadcast from a park but regulations would not permit this so HARRY had much traffic with him about it. The woman inquired whether ANNE had heard from RUTH RUBER and ANNE stated no. (u)

It is noted FRANCES EDELSTEIN's husband is named HARRY. Subsequently ANNE WHITE invited BERNICE BERNSTEIN to listen to the Town Hall of the Air where her husband would speak mentioning she had invited RUTH and MORRIS (FRIEDBERG) and FRANCES and HARRY EDELSTEIN. (u)

HARRY WHITE contacted LOUIE REAM mentioning a friend Colonel COHEN was visiting him, and he wondered if he could bring COHEN along. He mentioned COHEN was in the medical corps and formerly taught at Tufts Medical School. REAM stated it was agreeable and thought perhaps COHEN would be interested in the matter under discussion. REAM furnished directions, presumably to his home. They were to cross Chain Bridge, go up Glebe Road and take a left fork on Military Road one fifth of a mile to 37th Street and then turn sharp right. (u)

Reference is made to the contact above in which WHITE invited Mr. ZACH SAAD (phonetic) to attend the Hippodrome Theater with the WHITES.

Physical surveillance on October 29, 1946, by Agents W. A. TAYLOR and A. S. BRENT disclosed the WHITES left their apartment at 7:30 p.m. in a Buick sedan, D. C. license 135-596, which WHITE apparently owns at this time. They proceeded to the Shoreham Hotel where they picked up a couple who were waiting at the hotel entrance and proceeded to the Hippodrome Theater, 9th and New York Avenue where they entered at 8:05 p.m. The couple whom the WHITES took to the theater are described as follows:
